

# *Chevy Montage*

All Female Build

**The Chevy Montage All Female Build Campaign's** goal is to celebrate all the women working in various capacities in the automotive industry – paying tribute to those that paved the way for us and creating opportunities for women who want to learn and explore the trade in a welcoming supportive environment. To achieve this, we will be building a vehicle as unique as the women working on it, to be revealed at the most influential automotive show of the year, SEMA 2017.

Want to support this awesome happening? **Please, visit our Indiegogo crowdfunding campaign.** We're offering some sweet swag in return for your generous contributions. Search for Bogi's Garage.

Please give us some love and follow Bogi's Garage Facebook, YouTube, Twitter, and Instagram pages, and share with your social networks. Sharing is caring.
