express preview

the premier automated staffing app

Do you struggle with...

getting in touch and managing staff?

finding the right staff?

disorganized data, too many spreadsheets?

too many emails and text messages?

scheduling and payroll taking forever?

HR shouldn't be this hard.

We're really good at...

helping companies reduce HR costs

automating the tedious stuff

making things simpler and faster

We know your business...

Guiding on-demand companies since 2007.

We were created to service the event industry.

We've expanded across multiple vertical industries.

From small businesses to global corporations, we're in touch with your needs.

We make it simple...

✓ Communicate, work, and store everything all in one place.

✓ Centralize all of your operations: scheduling, communication, and T&A.

✓ Access the responsive app at your desktop and on the go.

✓ We teach you how others in the industry are solving their problems.

Why switch to schedulehead?

Proven results. Companies that switched report...

Scheduling is 7x faster.

Improved roster utilization.

They have less administrative duties like managing docs and worker evaluations.

Payroll is 9x faster.

Increased worker satisfaction.

They have less man-hours on scheduling, payroll, & HR.
Better staff retention.

Better scheduling capabilities...

We take the headache out of complex schedules.

- ✓ Specialized for on-demand companies
- ✓ Uses AI for automation
- ✓ Software anyone can use
- ✓ Communicate easily with your entire crew
- ✓ Get the right information to the right people
- ✓ Attach documents, notes, and links to shifts
- ✓ Send SMS to groups
- ✓ Open chats 1:1 or with groups

Specialization & Customization

Easy-to-Use User-Centric Interface

Artificial Intelligence for Intutitive Mgt

Digital Documentation & Archiving

1:1 and Group Chat

Concise Communications

Eliminate the unnecessary back-and-forth between you and your staff.

Before

Sunday 5:30 PM

Hey this is Janice at work. Can you work the Dodgers game on the 12th?

Monday 7:22 PM

I'll check.Can you wait while I check my schedule?

Wednesday 12:50 PM

Sure, but I've got other people waiting, so LMK soon.

Am I already working that weekend?

No, not yet.

Thursday 9:16 AM

OK, can you send me the details again please?

Yes, it's the Dodger's Game on the 12th!

Thursday 9:30 AM

I think I can... I'll let you know later. Thx!

Okay. Please figure it out. It's coming up soon!

After

Sunday 5:30 PM

This is the ScheduleheadBot. You're a good fit fora shift on Dec 12th @ 1pm. To get the details, replyback with code "XY9".

XY9

Okay, the shift is at 1pm as a bartender @ DodgerStadium, working with Janice. Would you like to accept this shift?

Yes!

Thanks! Your schedulehas been updated & you'reconfirmed! I'll text you before the event to check-in. See ya!

Effortless payroll...

Effortlessly run payroll using our robust time and attendance suite.

✓ No more back-and-forth email during payroll time (workers can submit corrections to time, you approve them)

✓ Geo-fencing, selfies, digital signatures, supervisor access, California legal waiver

✓ No more unexpected overtime

✓ We sync with your payroll provider.

✓ No more data entry or hand-written time cards

✓ Schedulehead can follow whatever special rules you use to calculate payroll.

Set Payroll Rules in App

Workers Input, Edit, + Sign Time Sheets

App Confirms Worker Attendance + Hours

App Syncs with Payroll Provider

Payroll Complete!

Better Worker Satisfaction and Compliance*

Before

62% annual turnover

18% no-shows

After

16% annual turnover

3% no-shows

*Positive Results–Healthcare

Easy worker documentation...

Effortlessly run payroll using our robust time and attendance suite.

- Onboarding, getting employee documents signed, and collecting signatures on policies is super easy. Monitor it all from your dashboard.

- Distribute handbooks, policies, and more from one central location.

- Everything is neatly organized for your in the Schedulehead app.

Artifical Intelligence...

Schedulehead's AI gives you intuitive solutions to complex processes

- Schedulehead helps you manage large rosters

- Our AI keeps 15+ data points on each worker to give accurate realtime performance information

- Our AI can use this information to make suggestions or automatically communicate with and schedule people for you. It can even help balance crew among multiple events on the same day.

The schedulehead guarantee...

✓ Easy-to-use app with quick setup

✓ 99.9% uptime guarantee

✓ Friendly, knowledgeable support is there every step of the way.

Our process...

1 Schedule a demo or kickoff call with our experts.

2 Import your staff.

3 Get unlimited group and 1:1 trainings.

4 Manage your staff easier than ever.

Next Step:

Schedule a meeting with our scheduling experts. »
