FRIDAY, JUN 18

DJ Full Xposure (@dj_fullxposure)

DJ Full Xposure hails from Washington DC, and is influenced by Reggaeton, R&B, and Hip-Hop. Whether DJing or producing, she wants people to feel comfortably vulnerable and exposed, with emotions flowing. Let her music bring feelings out of you that may not be understood on the surface.

FRIDAY, JUN 25

DJ Slut Station (@dj Slutstation)

DJ SlutStation is the Swedish alter-ego of queer LA party mom Kristin Vallacher (@kristinvthe1st). DJ Slut Station's backstory involves growing up in a Swedish fishing village, becoming "too famous and popular" in her home country, and traveling to America to confront the fact she "may" be gay (she is). She is taking America by maelstrom, one "sick beat ja" at a time.

SATURDAY, JUN 26

DJ Vick Jagger (@vickjagger_)

DJ Vick Jagger began DJing in 2016 after the immense loss of her two favorite artists Prince & Bowie. She is heavily inspired by 60's Psych-Rock, 70's Disco & 80's Funk & Hip-Hop. Vick has had residencies spanning across Los Angeles & The OC. Vick loves to add an element of Drag to everything she does & always represents for the LGBTQ+.
